- ▶ **Secluded terrace** with sea views
- ▶ 3 bedrooms with **air conditioning** - sleeps up to 6

Villa Mara, the upper floor of the original Manor House of Loggos, has light, airy rooms and a wonderful sunny feel. Reached by a separate entrance up a flight of steps, Mara commands marvelous sea views to the front, while a private terrace to the side, also with seaviews, offers a perfect spot for al fresco meals and relaxation.

“The Manor House is a very special property!”
